

**Parent/Guardian Technology Consent
&
Student Acceptable Use of School Technology
Form
(iPad / Chromebook Permission Form)**

I/We have read the school technology guidelines and have discussed them with my child/ren. In consideration of the privilege of my child/ren using the school's electronic communication system* and in consideration of having access to the public networks, I/we hereby release the school, its operators and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my child's use of, or inability to use, the system including, without limitations, the types of damage identified in the **Acceptable Use Procedures (AUP)**.

I/We understand that access to the school technology resources is not a private activity and that the school will monitor student activity on any of the school resources including but not limited to the computer system, e-mail system and any other electronic devices and programs. *

I /We have read the school's technology procedures and regulations and agree to abide by these provisions. Violation of these provisions may result in suspension or revocation of system access. I/We also understand that any action taken through the school network that is in violation of the school disciplinary code will be handled in accordance with the code. Appropriate legal authorities may be contacted, if there is any suspicion of illegal activity.

Sts. Bruno & Richard School has obtained iPads/Chromebooks for students to use. The iPads/Chromebooks will provide the students with many opportunities to learn and practice academic skills. The use of the iPads/Chromebooks is considered a privilege and students are expected to treat the iPads/Chromebooks with care. **Each iPad/Chromebook is valued at \$400.00.** A parent or guardian must sign this form before their student will be able to use iPads/Chromebooks.

The student(s) listed below may use iPads/Chromebooks at school. My student(s) will follow Sts. Bruno & Richard School's Acceptable Technology Use of School Technology by Student Policy as it is described in the handbook when using the iPads/Chromebooks. I will pay for any willful, malicious or accidental damage to the iPads/Chromebooks as well as for any downloads to the iPads/Chromebooks that are made by my student without teacher permission by my student.

Parent/Guardian: (Please initial in space provided below)

_____ I/We **do give** permission for my child to participate in the school's electronic communications system including the Internet and certify that the information contained on this form is correct.

_____ I/We **do not give** permission for my child to participate in the school's electronic communications system including the Internet and certify that the information contained on this form is correct.

Student Responsibilities and Permission

I agree to take good care of the iPad/Chromebook. I will try my best not to drop, or damage, the iPad/Chromebook. I will use the iPad/Chromebook as directed by my teacher. I will not download any content to the iPad/Chromebook. I will pay for any willful, malicious or accidental damage to the iPad/Chromebook as well as for any downloads to the iPad/Chromebook that I made without teacher permission.

Student: (Please initial in space provided below)

_____ I have discussed, with my parent/guardian, how I may appropriately use the school's technology tools.

Name of Student

Grade

Print Name of Parent/Guardian

Signature of Parent/Guardian

Date _____

***Including, but not limited to Internet access, fax, e-mail, stand-alone computer, iPad, Chromebook and telephone.** The parent/guardian is responsible for any damage caused through the student's inappropriate use of the school's Internet system.
