

Sts. Bruno and Richard Announcement

To: School + Parish families

From: Principal + Pastor

Subject: Important News

Date: Thursday, January 22, 2026

Dear Sts. Bruno and Richard Families,

It is with heavy hearts that we share the difficult news that Sts. Bruno and Richard School will close at the end of this school year. Due to low enrollment, high deficits, and despite the hard work of many people, the school is no longer sustainable.

This afternoon, we shared this news with our teachers and staff, and we encourage you, if possible, to have conversations with your children before they return to school. Our focus now is on supporting our students, families, teachers, and staff as we process this transition. Counselors will be available at school tomorrow to help teachers guide classroom discussions and offer individual support to students who need it. Families will receive assistance in transitioning financial aid and finding another Catholic school, and our teachers and staff will receive support as they seek new roles at other schools within the Archdiocese. Working together, we aim to make this difficult transition as seamless as possible.

To everyone who has been part of the Sts. Bruno and Richard family—our dedicated school families, volunteers, educators, alumni, and generous donors—thank you from the bottom of our hearts. Your steadfast support is what has made Sts. Bruno and Richard such a special place since our doors first opened decades ago. While we mourn this chapter is coming to a close, we know that the spirit and legacy of Sts. Bruno and Richard will live on in the hearts of our students, alumni, and community for years to come.

In the months ahead, we want to make the remainder of this school year a celebration of our school community's legacy. Together, we will honor the memories, friendships, and faith that have made Sts. Bruno and Richard School a place like no other.

With gratitude and faith,

Fr. Andrew Bartos Mary Arevalo
