Students Create a Monumental Display of Their Faith / Los Estudiantes Crean una Muestra Monumental de Su Fe

The Rosary Club at Sts. Bruno & Richard School came together to create a monumental display of their faith: a large rosary proudly showcased in the main hallway. With each bead meticulously crafted and lovingly arranged, the rosary serves as a symbol of their devotion to prayer and unity within the school community. As it hangs prominently in the heart of the school, the rosary stands as a testament to the power of faith and the spirit of collaboration nurtured within the walls of Sts. Bruno & Richard School.

El Club del Rosario de la escuela Sts. Bruno y Ricardo se unió para crear una muestra monumental de su fe: un gran rosario exhibido con orgullo en el pasillo principal. Con cada cuenta meticulosamente elaborada y dispuesta con amor, el rosario sirve como símbolo de su devoción a la oración y la unidad dentro de la comunidad escolar. Como cuelga de manera prominente en el corazón de la escuela, el rosario es un testimonio del poder de la fe y el espíritu de colaboración cultivado dentro de los muros de Sts. Escuela Bruno y Richard.

Shaping Faith: 8th Graders Design Their Confirmation Shields

As the confirmation ceremony approaches, the 8th graders are putting the final touches on their shields, symbolizing their commitment to their faith. Each shield represents their personal journey and beliefs, reflecting their unique identities and values.

A medida que se acerca la ceremonia de confirmación, los alumnos de 8o grado están dando los toques finales a sus escudos, que simbolizan su compromiso con su fe. Cada escudo representa su viaje y creencias personales, reflejando sus identidades y valores únicos.
